

# Aviation and Space in North Rhine-Westphalia

Dr. Stephan Recher, Dep. Network Manager

January 2026

## North Rhine-Westphalia: The heart of Europe

Europe's most populous region:

**18.1 million** inhabitants in NRW

**160 million** people live within a 500 km radius of the state capital Düsseldorf

**Düsseldorf**

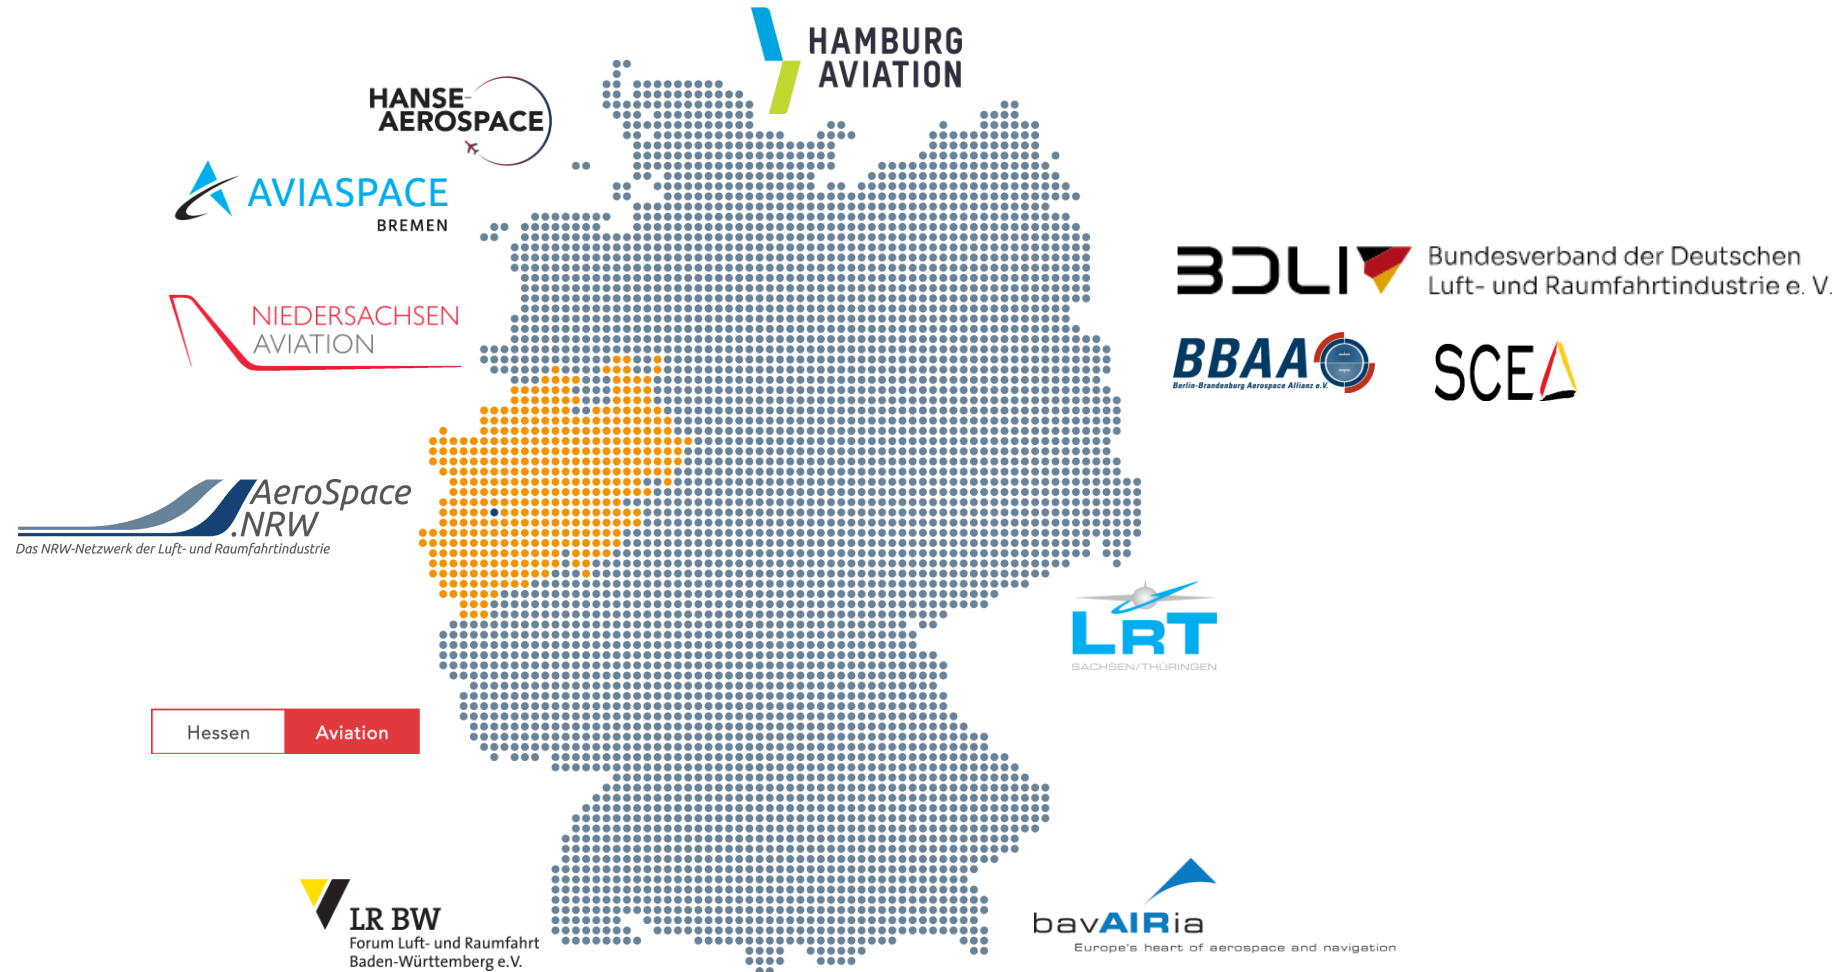

**Köln**

**871.9 billion euros**

**4.8 percent of the EU's GDP**

are generated in the state – the highest gross domestic product of all German states and one fifth of the GDP of Germany as a whole.

# Partner of the regional forum in the national German Aerospace Industry Association (BDLI)

# AeroSpace.NRW in a nutshell

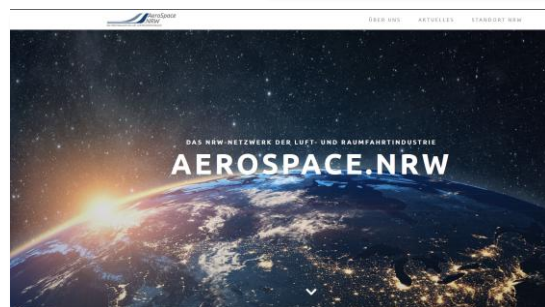

- Initiated by the NRW government in March 2021
- Brings together economy, research and politics to advance the aerospace industry in NRW
- In close exchange with public authorities in NRW, Germany and the EU
- Open to anyone interested
- Supported by an advisory board
- In close cooperation with other regional aerospace networks in Germany

# Examples of activities
