N.	Associate Name	Website	Description Main Activity	Segment	Type of Member
1	A.G. PORTA S.p.A.	www.agporta.com	Design and manufacture of mechanical gearbox and engine components, including the development of alternative production methods aimed at reducing costs and/or weight, compared to traditional technologies	Components, Assemblies and Parts	SME
2	ALLINOX COMPONENTS s.r.l.	www.allinoxcomponents.it	Mechanical processing of special sheet metal parts (e.g turbine parts, combustion chambers, tanks)	Components, Assemblies and Parts	SME
3	ALPHA IMPULSION ITALIA S.r.l.	www.alpha-impulsion.com	Development of Hybrid Autophage Propulsion, patented technology combining structure and fuel into a single polymer-based component	Platforms & Engines	Start-up
4	ALTAIR ENGINEERING s.r.l.	www.altairengineering.it	Development of software and cloud solutions (e.g. computational science, AI) for simulation, high-performance calculation, and data analysis	Engineering & Software	SME
5	ALTEC S.p.A.	www.altecspace.it	Engineering and logistics to support operations, the use of the International Space Station, and the development and performance of space missions	Engineering & Software	SME
6	ALTEN ITALIA S.p.A.	www.alten.it	Engineering and Systems engineering (airborne, and ground, safety-critical systems); Development and testing of software and electronic systems	Engineering & Software	Large Company
7	ALUTRON s.r.l.	www.alutron.it	Design of hardware and software; Manufacturing of electronic systems, including products and components; Design of mechanical solutions for electronic Systems (cabinets and racks)	Components, Assemblies and Parts	SME
8	AMET s.r.l.	www.amet.it	Design and testing of mechanical and mechatronic products and systems (e.g. simulators, testbeds)	Engineering & Software	SME
9	APR s.r.l.	www.apr.it	Design, development, and production of fluid dynamic equipments and mechanical equipments for environmental control, thermal control, and propulsion	Equipment & Accessories	SME
10	ASPIRTECNICA GENOVESE s.r.l.	www.aspirtecnica.com	Design, manufacture, and installation of industrial extraction systems for fumes, dust, and polluting processing waste	Machinery, Equipment, and Materials	SME
11	ASTRADYNE s.r.l.	www.astradyne.space	Development of folding structure for solar panels for small satellites	Components, Assemblies and Parts	Start-up
12	ASTROFLEX S.p.A.	www.astroflex.eu	Manufacturing of flexible metal piping and bellows	Components, Assemblies and Parts	SME
13	ATLA s.r.l.	www.atla.it	Manufacturing and repair (MRO&U) of gas turbine and engine component parts (e.g. blades)	Components, Assemblies and Parts	SME
14	AVIO S.p.A.	www.avio.com	Design, development, and manufacturing of launch vehicles, solid and liquid propulsion systems, and payload adapters	Platforms & Engines	Large Company
15	AVIO-COMPOSITE s.r.l.	www.meko-group.net	Production of composite and plastic material components and units; Mechanical processes for trimming and drilling	Components, Assemblies and Parts	SME
16	AXIST s.r.l.	www.axist.it	Dimensional measurements and design of solutions for dimensional measurement (e.g., robots)	Services	SME
17	BAVA s.r.l.	www.bavasrl.com	Manufacturing of test bench, environmental chambers, and equipment	Machinery, Equipment, and Materials	SME
18	BCUBE S.p.A.	www.bcube.com	Industrial logistics and Integrated Supply Chain Management	Services	Large Company
19	BISIACH E CARRU' S.p.A.	www.bisiachcarru.it	Design and manufacturing of equipment and robots (e.g. drilling, riveting, shimming) and special machinery	Machinery, Equipment, and Materials	SME
20	BLUE ENGINEERING s.r.l.	www.blue-group.it	Engineering services for the development of systems and sub-systems (e.g. space modules, drones, test bench)	Engineering & Software	SME
21	CARL ZEISS S.p.A.	www.zeiss.it/metrologia/home.html	Instruments, solutions, and services for quality control (CMMs, 3D optical scanners, X-ray devices, Optical and electronic microscopes, Data assessment software)	Services	SME
22	C.F.M.-Air s.r.l.	www.cfmairdardo.it	Design and manufacturing of light aircraft	Platforms & Engines	SME
23	CHECK SOLUTION s.r.l.	www.check-solution.it	Dimensional measurements and testing (e.g. mechanics and plastic)	Services	SME
24	COMUTENSILI S.p.A.	www.comutensili.com	Manufacturing of metal parts for aeronautical turbines and engines (e.g. stators and rotors) and tools (e.g. braches)	Components, Assemblies and Parts	SME
25	CORNAGLIA S.p.A.	www.cornaglia.com	Manufacturing of pressed sheet metal parts, automotive exhaust systems, plastic tanks, and cockpit interiors	Components, Assemblies and Parts	Large Company
26	COSMEC s.r.l.	www.meccanica-cosmec.com	Manufacturing of precision mechanical components, dimensional check and non-destructive check	Components, Assemblies and Parts	SME
27	COVERACT s.r.l.	www.coveract.it	Services for Quality & Services Provider, Compliance & Assessment, Product Development & Engineering e Supply Chain	Services	SME
28	CSI S.p.A.	www.csi-spa.com/it	Product certification, product testing, consulting for compliance with EU directives, legal assistance for product conformity declaration	Services	Large Company
29	DEPLOTIC s.r.l.	www.deplotic.com	Design, development, manufacturing, and maintenance of space inflatable and deployable robotic arms	Equipment & Accessories	Start-up
30	DIGISKY s.r.l.	www.digisky.it	Aerial monitoring systems (aircraft, tomography) and flight testing and validation	Engineering & Software	SME
31	DOM s.r.l.	www.domsrl.it	Manufacturing of blades for turbines for special applications	Components, Assemblies and Parts	SME
32	ECOMEC IMPIANTI s.r.l.	www.ecomecimpianti.it	Design, production, and installation of industrial electrical automation systems, software, and robotics	Machinery, Equipment, and Materials	SME

33	ECOSMIC s.r.l.	www.ecosmic.space	Software development for space awareness and collision avoidance	Engineering & Software	Start-up
34	EFA MECCANICA s.a.s.	www.efameccanica.it	Parts finishing, sand-blasting, polishing, shot peening, mirror finishing, satin finishing	Components, Assemblies and Parts	SME
35	EFFEGI ELETTRONICA s.r.l.	www.eggiegiel.it	Design, production, assembly, and testing of electronic circuits	Components, Assemblies and Parts	SME
36	ELECTRONICA s.r.l.	www.electronica.srl	Design and production of electronic boards, microelectronics, and hybrid circuits, with both electronic and mechanical design	Components, Assemblies and Parts	SME
37	ELLENA S.p.A.	www.ellenaspa.com	Manufacturing of high-precision parts, units, and components by metal additive manufacturing	Components, Assemblies and Parts	SME
38	ERGOTECH s.r.l.	www.ergotech.it	Design and manufacture of molds, molding, and assembly of technical components in thermoplastic materials	Components, Assemblies and Parts	SME
39	EUROCONNECTION s.r.l.	www.euroconnection.it	Manufacturing of pre-wired cables for various sectors (e.g. CNC, robotics)	Components, Assemblies and Parts	SME
40	EURO STAMP 1 s.r.l.	www.eurostamp1.it	Design and manufacturing of molds and equipment; cold-forming of metal parts	Components, Assemblies and Parts	SME
41	EXEMPLAR s.r.l.	www.exemplar.com	Marketing of products for CAE (computer-aided engineering) and development of simulation software tools	Engineering & Software	SME
42	FASTLOC S.p.A.	www.fastloc.it	Production and marketing of industrial fastening systems, mechanical metalworking, and fastener service provider for the aerospace sector	Components, Assemblies and Parts	SME
43	FEV Italia s.r.l.	www.fev.com	Engineering services for the development of sustainable propulsion solutions (e.g., fuel cells, sustainable aviation fuels, electric propulsion, battery technologies/recycling concepts)	Engineering & Software	SME
44	F G GRUPPO S.p.A.	www.fg-gruppo.it	Heat treatment for steel and light alloys (e.g. cementation, carbonitriding, nitriding, laser heat treatment)	Components, Assemblies and Parts	SME
45	FLEXIDER s.r.l.	www.flexider-automotive-eu.com	Manufacturing of flexible load-bearing elements, metal bellows, piping, exhaust gas recirculation piping, joints, and high-frequency damping elements	Components, Assemblies and Parts	SME
46	FRATELLI VERGNANO s.r.l.	www.vergnano.com	Manufacturing of standard and special tools for high-precision tapping, toothing, and milling	Components, Assemblies and Parts	SME
47	FRESAL s.r.l.	www.fresal.com	Manufacturing of metal finishing tools (e.g. bits, milling machines, reamers) made of heavy-duty metal and steel	Components, Assemblies and Parts	SME
48	GE AVIO s.r.l.	www.avioaero.com	Design, development, manufacturing, and maintenance of aeronautical propulsion components and systems	Platforms & Engines	Large Company
49	GROB ITALY s.r.l.	www.grobgroup.com	Design, manufacturing, and retail of electric motor manufacturing lines; retail of and technical assistance for manufacturing machines for processing and removal of swarf	Machinery, Equipment, and Materials	SME
50	HEXAGON METROLOGY S.p.A.	www.hexagon.com	Design, development of software for measurement of manufacturing processes and quality data	Equipment & Accessories	Large Company
51	IDEATECK	www.ideateck.it	Logistics and manufacturing consulting services (e.g. Lean Manufacturing, Digital Manufacturing)	Services	SME
52	IL DISGELO s.r.l.	www.ildisgelo.it	Design, manufacturing and maintenance of environmental chambers, stability chambers, corrosion testing chambers, lab refrigerators and freezers, industrial and lab ovens	Machinery, Equipment, and Materials	SME
53	JDEAL-FORM s.r.l.	www.3ntr.net	Medium/large additive manufacturing systems employing high-performance polymers	Machinery, Equipment, and Materials	SME
54	JOINTEK s.r.l.	www.jointek.it	Manufacturing of flexible piping, swivels, quick-release links, joints, and other products for transport of high-quality liquids	Components, Assemblies and Parts	SME
55	JORIO s.r.l.	www.jorio.it	Design and manufacturing of prototype mechanical components made out of sheet metal and forged, including inspection and testing systems	Components, Assemblies and Parts	SME
56	LABORMET DUE s.r.l.	www.labormetdue.it	Industrial tomography services and distribution of quality control and testing systems	Components, Assemblies and Parts	SME
57	L.M.A. s.r.l.	www.lmasrl.com	Manufacturing and co-design of load-bearing, high-precision, and high-risk metal parts	Components, Assemblies and Parts	SME
58	LAZZERO TECNOLOGIE s.r.l.	www.lazzero.com	Design, manufacturing, and support for industrial systems for leak inspection (e.g. leak testing, thermodynamics, vacuum)	Components, Assemblies and Parts	SME
59	LEONARDO S.p.A.	www.leonardo.com	Development, manufacturing, and support of aeronautical platforms in the civil and military sectors	Platforms & Engines	Large Company
60	LEONARDO LOGISTICS S.p.A.	www.leonardologistics.it	Integrated logistics, transport, and warehouse management	Services	Large Company
61	LOGI SERVICE s.c.r.l.	www.logi-service.it	Industrial and supply chain logistics, warehouse management, and quality control	Services	SME
62	LUMBIRD PHOTONICS ITALIA s.r.l.	www.lumbird.com/en/italia	Design, development and manufacturing of laser machines for defense, space, topography, healthcare industry	Equipment & Accessories	SME
63	MADEINADD s.r.l.	www.madeinadd.com/it	Engineering, modeling and printing of 3D parts by Additive Manufacturing	Components, Assemblies and Parts	SME
64	MAT3D s.r.l.	www.mat3d.it	Development of high-performance resins/composites for 3D stereolithography/material jetting/3D coating	Machinery, Equipment, and Materials	SME
